

Open Air®

Cold Nights? Congestion? Use Open Air

All New Open Air from Peak Performance Nutrients is a powerful herbal liquid designed to provide support for:

- Bronchodilation
- Energy and endurance
- Respiratory function & health
- Excess mucus buildup

Utilizing a proprietary extraction process and high quality herbs, Open Air provides effective respiratory support for performance horses subjected to cold conditions, dust, pollen and other environmental factors that can hinder air intake and performance. Open Air is effective for both daily and pre-event support.

Try Open Air today, your satisfaction is guaranteed.

Directions for Use:

- Daily Use: Orally administer 1 oz. (Approx. 30 mL/1 cap full) twice per day.
