

Aller Cease™

Allergies? Coughing?

Aller Cease provides respiratory support for horses with seasonal allergies as well as horses stabled in areas with dry, dusty air and elevated levels of pollen or other airborne allergens. Aller Cease contains a concentrated blend of Citrus Bioflavonoids, Hesperidin, Rutin, Quercetin, and Mullein Leaf.

This palatable and concentrated formula provides support for:

- Wheezing and bronchospasm
- Stable cough
- Chronic nasal discharge
- Mild to early heaves

Support your horse's respiratory system effectively today with Aller Cease.

Directions for Use:

- Administer 34 grams (1 scoop) once per horse per day with feed or as directed by your veterinarian or equine nutritionist.
