

Liver-Zyme®

Purify, Cleanse & Perform

Introducing Liver-Zyme from Peak Performance Nutrients, the most complete and effective liver support product.

All new Liver-Zyme from Peak Performance Nutrients provides ingredients to help cleanse and protect the liver from the stress of competition and environmental factors. Liver-Zyme:

- Should be administered if your horse appears dull or has lost his "spark"
- Supports normal GGT and Bilirubin levels
- Supports normal bile production
- Is formulated to maximize blood flow by supporting Liver, Spleen and Stomach health
- Is a concentrated, palatable liquid herbal product

A fully functioning liver is the basis for a healthy animal which can perform to maximum potential. Give your horse the edge by feeding Liver-Zyme today.

Directions for Use:

- Daily Use: Orally administer 1/2 - 1 oz. (Approx. 15-30 mL) once per day.
