

# POLY MANGANESE

EQUINE NUTRITIONAL SUPPLEMENT

**Uckele**

EQUINE

Net Contents: 1 lb. (453.6 g)

Mineral Supplement for  
Equine

**Feeding Directions:**

Feed at the rate of 1-2  
1 scoop daily or as di-  
rected by your Veterinarian  
or Nutritionist.

1 scoop = 7 grams (in-  
cluded) provides 1,000 mg  
of Manganese.

**DISCLAIMER:** The results  
for the use of this product are  
based on the manufacturer's  
recommendations. However,  
it is impossible to eliminate  
all risk entirely associated with  
the use of this product. In no  
case shall Uckele Equine  
Nutritional Supplement be held  
liable for consequences arising  
or not arising directly or  
indirectly from the use of this  
product.

**WARNINGS:**

Overdose may occur if  
this product is fed in  
excess of the recommended  
dosage. If you have any  
questions, please contact your  
veterinarian. Keep this product  
out of the reach of children.
