

Description

Stress-Dex® is a balanced electrolyte powder for all horses and dogs, to be used as a supplemental source of energy and of calcium, phosphorus, salt and potassium.

Ingredients

Dextrose, salt, potassium chloride, dicalcium phosphate, hydrophobic silica, saccharin sodium, artificial coloring, artificial orange flavor.

Guaranteed Analysis:

Calcium	Min.	1.0%
	Max.	1.4%
Phosphorus	Min.	0.8%
	Max.	6.7%
Sodium Chloride (Salt)	Min.	6.0%
	Max.	6.7%
Potassium	Min.	3.0%
	Max.	73%
Dextrose	Min.	73%

Directions for Use

Horses: 1-2 ounces per day, in one dose or divided into 2 doses. Mix with feed or water.

Dogs (50 lbs and over): 1-2 teaspoons per day, in one dose or divided into 2 doses. Mix with feed or water. Do not administer to dogs under 50 lbs.

Warning

For veterinary use only.

Keep out of reach of children.

Storage

Store in a cool, dry place with lid tightly closed.

Features

- Trainers and veterinarians have trusted this product since 1968
- Highly palatable, appetizing orange flavor
- Contains a balanced blend of electrolyte salts
- Helps control electrolyte imbalances and losses
- Replenishes the body of lost electrolytes during periods of:
 - Stress
 - Illness
 - Physical exercise
 - Hot, humid weather
- Great for winter use when horses naturally drink less water

Description

Stress-Dex[®] Gel helps replenish needed energy and electrolytes that are lost during periods of stress, illness, physical exercise, and high heat and humidity. Ideal for use in preventing dehydration before and after competition.

Ingredients

Dextrose, potassium chloride, salt, dicalcium phosphate, hydrophobic silica, saccharin sodium, artificial coloring, water, xanthan gum, artificial orange flavoring, preserved with: sodium propionate, disodium EDTA, sodium benzoate, potassium sorbate, methylparaben.

Guaranteed Analysis:

Calcium	Min.	0.6%
	Max.	0.8%
Phosphorus	Min.	0.5%
	Max.	4.0%
Sodium Chloride (Salt)	Min.	3.5%
	Max.	4.0%
Potassium	Min.	1.8%
Dextrose	Min.	43%

Directions for Use

Administer one full syringe directly onto the back of the horse's tongue. Administer no more than 2 tubes per day.

Provide ample drinking water.

Warning

For veterinary use only.

Keep out of reach of children.

Storage

Store in a cool, dry place with lid tightly closed.

Features

- Same ingredients as Stress-Dex Powder
- Highly palatable, appetizing orange flavor
- One syringe = one dose
- Great for horses "on-the-go"
